

How to Simplify Registration

Registration for Summer I term began 2/19/09.

1. Log on to your student portal by going to:
<https://mycampus.argosy.edu>
2. Check to see what classes are required to complete your program. If you have questions, contact your academic advisor (see below).
3. Look at the schedule for Education classes listed on AUSFBA.com
4. Register now.
5. Purchase your books.

Registering now gives you more assurance that the class will not be dropped and that you have no pending financial aid or other issues. If you have registration questions, contact Dee Simpson at 510-217-4767 or Tally Ogans at 510-217-4720.
